THIS DEED OF ASSIGNMENT is made 17 day of July 2000

BY AND BETWEEN

1. **XENOVA LIMITED**, a company incorporated in England under number 1970244, whose registered office is at 240 Bath Road, Slough, Berkshire SL1 4EF (the "Assignor"); and
2. **TERRAGEN DISCOVERY INC.**, (formerly called TerraGen Diversity, Inc), a company duly incorporated under the laws of the Province of British Columbia, Canada, having a principal place of business at C300-2386 East Mall, Gerald McGavin Building, University of British Columbia, Vancouver, British Columbia, Canada, V6T 1Z3 (the "Assignee").

WHEREAS the Assignor is the registered proprietor and owner of the entire right, title, and interest in the inventions described and claimed in the patents, and is the owner, as well as applicant of the entire right, title, and interest in the inventions described and claimed in the applications for patent, set out in the Schedule to this Assignment (the "Patents"); and as the registered proprietor, owner, and applicant, the Assignor has the full legal authority to convey the entire right, title, and interest herein assigned; and the Assignor has not executed, and will not execute, any agreement in conflict herewith.

THIS DEED WITNESSES as follows:

#### Assignment

1. In consideration of the sum of £1.00 (one pound sterling) to be paid by the Assignee to the Assignor, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby assigns to the Assignee the Patents together with all the Assignor's rights, title and interests in respect of them.
2. Each of the Parties agrees to co-operate with the other to take such action as may be reasonably requested in order to give full effect to this Assignment, including without limitation, the execution and delivery of such other instruments of assignment, conveyance and transfer and such other consent, clearances or further assurances as maybe reasonably requested to more effectively convey, assign and transfer to the Assignee full title to the Patents and to put the Assignee in possession of any or all of the Patents. The Assignor does hereby authorize and request competent authorities, at the expense of the Assignee to issue such Letters Patents as shall be granted upon said applications to the Assignee, its successor and assigns (but without making any representations or warranties hereunder as to the outcome thereof).
3. The assignment effected by clause 1 above shall include, without limitation, the assignment and transfer of:-

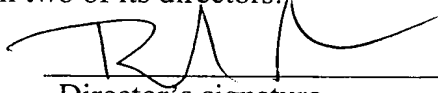

- a. all patents that may be granted pursuant to any applications listed in the attached Schedule, as well as all patents that may derive priority from or have equivalent claims to or be based upon the Patents in any country of the world (and including any provisional applications, substitutions, supplementary protection certificates, divisions and renewals, continuations, continuations in part, all patents granted therein, patents of addition, reissues, re-examinations and extensions), and references to the Patents in this Assignment shall be deemed to include all such items; and
- b. all rights of action, powers and benefits arising from ownership of the Patents, including, without limitation, the right to sue for damages and other legal and equitable remedies (and retain any financial award made in any action) in respect of all causes of action arising prior to, on or after the date of this Assignment.

EXECUTED as Deed by the Parties on the date first written above.
